Our [Data Protection Addendum \(“DPA”\)](#) forms an integral part of these Terms of Service and is incorporated herein.

2. License to Use

- **2.1.** This license, granted to you by PERIMETER 81, is limited to a non-exclusive, revocable, non-transferable, non-sublicensable and worldwide license to (i) access the Site and (ii) use the Service solely for your personal, non-commercial, receipt and use of the Service as provided by PERIMETER 81, in the manner permitted by these Terms of Service, (i) on your enterprise computers, (ii) on any mobile phone or other mobile device operated by Android™, as set forth in the Google Play Terms of Services, (iii) on any iPhone or any other Apple supported device as permitted by the Usage Rules of Apple Inc. (“Apple”) as set forth in the App Store Terms of Service (the Google Play Terms of Services and the App Store Terms of Service are each referred to herein as the “Usage Rules”) and/or (iv) any other devices which are supported by our Service, as set out in our support segment on our Site.
- **2.2.** You may not use the App and/or the Service and may not accept these Terms of Service if you are using a mobile phone or other mobile device operated by Android™ or if you are using an iPhone or any other Apple supported device, in each case where the restrictions on installing other apps not approved by Google or by Apple (as the case may be) have been bypassed (known as ‘Jailbreaking’ or ‘Rooting’).

3. Upgrades

These Terms of Service will govern any upgrades provided by PERIMETER 81 that replace and/or supplement the original App, unless such upgrade is accompanied by a separate license in which case the terms of that license will govern.

From time to time, an upgrade to the latest version of the App may be required in order to make use of the Service or to take advantage of new features of the Service. Some upgrades may be mandatory upgrades in order to address new and/or emerging security threats or critical bugs identified in the App or Service. You are required to immediately upgrade the App when new releases are made available. You hereby acknowledge that having an outdated version of the App may result in your exposure to security vulnerabilities and/or other adverse events.

4. The Service

Perimeter 81 is a fully cloud-based secure network as a service platform. We call it a “platform” because the solution allows each business to build its own network architecture and create custom configurations access and security policies.

4.1. Your Perimeter 81 Tenant:

In order to use our Service, you are required to open a Tenant. In order to do that you must complete the registration process by providing us with current, complete and accurate information as prompted by the

applicable registration form.

You are solely responsible for maintaining the confidentiality of your password and account. Furthermore, you are entirely responsible for any and all activities that occur under your account. Your Tenant users are also solely responsible for maintaining the confidentiality of their passwords and accounts.

You agree to notify Perimeter 81 immediately of any unauthorized use of your account or any other breach of security. Perimeter 81 will not be liable for any loss that you may incur as a result of someone else using your password or account, either with or without your knowledge. However, you could be held liable for losses incurred by Perimeter 81 or another party due to someone else using your account or password. You may not use anyone else's Tenant without the permission of the Tenant holder ("Administrator"). You are exclusively responsible for any and all activities that occur under your Tenant.

4.2. Configuration and Integration:

Perimeter 81 may integrate into existing networks and/or on-premise resources and/or cloud resources and/or SaaS applications and/or Firewalls and/or Identity Providers and/or other network components and/or authentication components and/or physical or virtual servers. Perimeter 81 will provide assistance and consulting in connecting the Service to the resources' network gateways, however, Perimeter 81 will not be responsible for the internal network routing and/or Firewall rules and/or Security configurations and/or any other internal configuration required to route network traffic from/to the Service.

Perimeter 81 will not be held responsible for networking and/or security configurations done within your resources and/or networks and such configurations will be your sole responsibility.

4.3. Subscription Plan:

Perimeter 81 offers several Subscription Plans for the provision of the Service, on a monthly or yearly basis (the "Subscription Plan").

The price for each respective Subscription Plan is based on the length and features of such Subscription Plan (the "Price"). The Subscription Plans and the applicable Price thereof are subject to change from time to time by Perimeter 81, without liability to Perimeter 81 or any prior notice required. Any additional and/or future services may not be included in the Price, at Perimeter 81's sole discretion.

The Subscription Plan Term will begin at the moment of cleared payment and end at the end of the Billing Cycle of the Subscription Plan. Any reversal of payment will result in the immediate termination of the Subscription Plan Term and void any credits and/or discounts and/or any commitments provided by Perimeter 81.

4.4. Means of Payment:

Once you shall choose your Subscription Plan as above, and in consideration thereof, you shall be required to choose a method for payment from any of several third-parties payment processors that are external to our Site (such as payment via credit card, ACH, or others) (the "Third Party Payment Processors"). All payments are recurring (i.e., shall be automatically renewed at the end of the Billing Cycle of your Subscription Plan).

You shall be solely liable for any fees, commissions, or rates of the Third-Party Payment Processors of your choosing.

4.5. Tax:

It is your responsibility to determine what, if any, taxes apply to the payments you make, and it is your responsibility to collect, report and remit the correct tax to the appropriate tax authority. Perimeter 81 is not responsible for determining whether taxes apply to your transaction, or for collecting, reporting, or remitting any taxes arising from any transaction. Sales tax, Value Added Tax and other taxes may be added to your Subscription Plan payments to the extent applicable (as determined by Perimeter 81).

In the event that you are required to deduct or withhold taxes of any kind from payments you make pursuant to a Subscription Plan, such withheld amount shall be grossed up and incurred solely by you, and the amount paid by you to the Company on account of your Subscription Plan shall equal the amount which would have been received by the Company had such payment been made free of such tax deduction or withholding.

4.6. Term:

Automatic Renewal. Your Subscription Plan will automatically be renewed for successive terms on the applicable Billing Cycle (monthly or annual), unless you cancel your Subscription Plan by following the Subscription Cancellation Process within your Tenant in advance of the renewal date ("Cancellation").

Perimeter 81 may from time to time, increase fees or cancel offered Subscription Plans to enter into effect upon the subsequent billing cycle, in such event Perimeter 81 will provide you at least 30 days' written notice of such price increase and offer you the option to cancel the Subscription Plan prior to such billing cycle.

Billing Cycles start at the beginning of the month and end at the last day of the last month of your Subscription Plan. If you purchased a Subscription Plan in the middle of the month, you will be charged for a prorated amount for the first cycle on the day of the purchase.

Co-Term. Should you elect to purchase the right to use additional features or add additional Users for an existing Subscription Plan (an "Additional Order") during the term of such Subscription Plan, the initial term of such Additional Order shall be pro-rated to concur with the existing Subscription Plan so that the renewal or expiry of the Subscription Plan and the Additional Order shall take effect on the same date. Applicable fees shall be pro-rated in accordance with the remaining term of the existing Subscription Plan.

4.7. Cancellation; Refund; Policy;

If you are a new user and have canceled your Subscription Plan by following the Cancellation process within the first thirty (30) days following the first invoice for the Service, you shall be entitled to receive a full refund following such cancellation by contacting us at support@Perimeter81.com. Otherwise, all payments made according to this Terms of Service are final and Perimeter 81 will not reimburse or refund any payments for any reason. Should your Tenant be hacked, you will not be refunded for any losses, even if the loss of control results in the deletion of your Tenant. If you are using our Service through our App, any refunds are also subject to the Usage Rules of the applicable store from which you have purchased our App (i.e., Google Play or App store, as the case may be).

Should you, by any means or way, revoke or cancel any of your payments to Perimeter 81, Perimeter 81 shall be allowed to supply the third-party clearing or payment service any information about such transaction; including, but not only, your email address, your IP address and activity pursuant to such denied transaction.

You hereby commit to paying in full any unpaid invoices that were issued prior to the Subscription Plan Cancellation. Canceling your Subscription Plan will not void any outstanding payments for the Subscription Period.

In case you and/or your Users are using our Service through our App, you may opt-out of the Service at any time, by uninstalling our App from your device/s. However, please note that opting-out shall not automatically cancel your Subscription Plan (and/or entitle you to receive a refund), and the Services would still be available for use by you and/or your Users until the end of your Subscription Plan.
